

In-Class Writing

Directions:

You will have 30 minutes to write a paragraph about the topics below. You may use an English-English dictionary.

What are two or three things that you have learned about libraries (i.e. NSCC, Seattle Public Library, etc.) this quarter? Discuss what information or services you think you can find at a library.

Did your library assignments change how you will use libraries in the future?
If yes, how?
If not, please explain why not.

Label your paper with the following:

Name

Date
